

1ST ANZVASC CONFERENCE

& BRISBANE VASCULITIS SYMPOSIUM

Saturday, 24 August 2019

8.30am-2pm

You are invited to spend a day in Sunny Brisbane at the first Australian and New Zealand Vasculitis Consortium meeting in conjunction with the final Brisbane Vasculitis Symposium.

Professor Catherine Hill is headlining the gig with other scientific and clinical talks to be confirmed. A patient Q&A with Brisbane's own Tony Jones (aka Daman Langguth) after the ANZVASC AGM will also take place.

More details coming soon. Daman_langguth@snp.com.au

Translational Research Institute
37 Kent St, Woolloongabba QLD 4102

In conjunction with ARA, ASCIA and ANZVASC
